Coastal Shield Dental PPO - Plan Summary

In-network benefits for Brightside Family Dental patients

Plan summary for front-desk use. Coastal Shield Dental PPO is an invented plan used for this demonstration.

Key figures

Benefit	In network
Annual maximum	$1,500 per person per calendar year
Deductible	$50 per person, $150 per family; waived for preventive care
Preventive (exams, cleanings, bitewings)	100%
Basic (fillings, simple extractions)	80% after deductible
Major (crowns, bridges, dentures)	50% after deductible
Orthodontics	Not covered

Frequency limits

Exams and cleanings: 2 per calendar year, at least 6 months apart. A third cleaning is covered only for members with a history of periodontal treatment.

Fluoride: once a year for members under 16. Sealants: once per permanent molar for members under 14.

Waiting periods

There is no waiting period for preventive and basic care. Major services have a 12-month waiting period from the member's start date.

Missing tooth clause

A bridge or implant to replace a tooth that was missing before the member joined the plan is not covered.

Claims

Claims must be filed within 12 months of the date of service. Pre-treatment estimates are recommended for any treatment over $300.
