Palm Hollow Homeowners Association - Declaration of Covenants (CC&Rs;)

Excerpts: assessments, architectural review, pets, leasing, vehicles, fines

This Declaration governs every lot in Palm Hollow Homeowners Association, a community of 312 single-family homes in Coral Point, Florida. Owners, tenants and guests must follow it. Where this Declaration and the Rules disagree, this Declaration controls.

Article 4 - Assessments

The regular assessment for 2026 is $485 per lot per quarter, due on January 1, April 1, July 1 and October 1.

An assessment not paid within 15 days of its due date is late. A late fee of $25 is charged, and the unpaid balance earns interest at 18% per year until paid.

After 90 days of non-payment, the Board may suspend the owner's use of the pool and clubhouse until the account is brought current. Suspension never affects access to the owner's home or to the roads.

A special assessment above $1,000 per lot in any year requires approval by a majority of the voting interests present at a meeting where a quorum is reached.

Article 6 - Architectural review

No fence, wall, pool, screen enclosure, shed, solar panel or change to a home's exterior colour may be started without written approval from the Architectural Review Committee (ARC).

Applications are made on the ARC form with a site plan and, for colour changes, a paint sample. The ARC decides within 30 days of receiving a complete application. An application not decided within 30 days is treated as approved.

Fences may only be installed in rear and side yards, may not extend past the front corner of the home, and may not be taller than 6 feet. Permitted materials are white vinyl or black aluminum. Chain-link and wood fences are not permitted.

Approved work must start within 6 months and be finished within 9 months of approval, or the approval lapses.

Hurricane shutters may be put up no earlier than 48 hours before a named storm is forecast to reach Coral Point and must be removed within 7 days after the storm has passed.

Article 7 - Pets

Each home may keep up to 3 household pets. Dogs must be leashed whenever they are outside the owner's lot, and owners must pick up after them immediately. Livestock, poultry and reptiles longer than 3 feet are prohibited.

A pet that the Board finds, after notice and a hearing, to be a nuisance or a danger may be required to be removed from the community.

Article 8 - Leasing

An owner must have owned the home for at least 12 months before leasing it. Leases must be for the whole home and for a minimum term of 7 months. No home may be leased more than twice in any 12-month period. Short-term and vacation rentals are prohibited.

The owner must give the Association a copy of the signed lease and the tenants' names at least 10 days before the tenants move in. Tenants receive gate access only after the lease is on file.

Article 9 - Vehicles and parking

Vehicles must be parked in garages or driveways. Overnight parking on the street is not allowed between 2:00 a.m. and 6:00 a.m.

Commercial vehicles with lettering or ladder racks may not be parked overnight. Boats, trailers and recreational vehicles may be parked in a driveway for no more than 24 hours for loading and unloading.

Vehicles parked in violation of this Article may be towed at the owner's expense after a warning notice has been posted on the vehicle for 24 hours.

Article 11 - Fines and enforcement

The Board may fine an owner up to $100 per violation, or up to $100 per day for a continuing violation, to a maximum of $1,000. A fine may only be imposed after 14 days' written notice and an opportunity for a hearing before the Fining Committee.
